

It's a St. Patrick's Day game  
Which isn't too lame  
To win a pot of gold  
Find the first clue in the ice  
and cold...

The next clue you'll find  
Is a place you go all the time  
Come and see  
The next clue is where you  
pee...

Your next clue is a mass  
Of bright green grass  
It isn't too hard  
To find the clue  
Left in the yard...

You're getting near  
To the treat you hold dear  
Ready, Set, Vroom  
The pot of gold is in  
your room!
